DENNIS J. BARROSO,
Plaintiff,
v.
M. GAMBOA, et al.,
Defendants.

Case No. 17-01033 EJD (PR)

ORDER OF DISMISSAL

Plaintiff, a California state prisoner, filed the instant pro se civil rights action pursuant to 42 U.S.C. § 1983 against officials at Pelican Bay State Prison (“PBSP”).¹ The Court dismissed the complaint with leave to amend. (Docket No. 8.) Plaintiff filed an amended complaint. (Docket No. 9.)

DISCUSSION

A. Standard of Review

A federal court must conduct a preliminary screening in any case in which a prisoner seeks redress from a governmental entity or officer or employee of a

¹ This matter was reassigned to this Court on March 9, 2017, after Plaintiff declined to consent to magistrate jurisdiction. (See Docket Nos. 4 & 6.)

1 governmental entity. See 28 U.S.C. § 1915A(a). In its review, the court must identify any
2 cognizable claims and dismiss any claims that are frivolous, malicious, fail to state a claim
3 upon which relief may be granted or seek monetary relief from a defendant who is immune
4 from such relief. See id. § 1915A(b)(1),(2). Pro se pleadings must, however, be liberally
5 construed. See Balistreri v. Pacifica Police Dep’t, 901 F.2d 696, 699 (9th Cir. 1988).

6 To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential
7 elements: (1) that a right secured by the Constitution or laws of the United States was
8 violated, and (2) that the alleged violation was committed by a person acting under the
9 color of state law. See West v. Atkins, 487 U.S. 42, 48 (1988).

10 **B. Plaintiff’s Claims**

11 Plaintiff claims that his right to due process was violated during disciplinary
12 proceedings for a Rules Violation Report (“RVR”) which he claims is invalid due to lack
13 of evidence to support the guilty finding. (Docket No. 9 at 4.) Plaintiff claims that
14 Defendants violated his rights when they used the RVR in connection with his subsequent
15 validation as an active gang member. (Id. at 5.) According to the attached copy of the
16 RVR and disciplinary hearing report, Plaintiff was assessed 30 days forfeiture of credit for
17 the guilty finding. (Id. at 26.) Plaintiff seeks damages. (Id. at 6.)

18 In order to recover damages for an allegedly unconstitutional conviction or
19 imprisonment, or for other harm caused by actions whose unlawfulness would render a
20 conviction or sentence invalid, a section 1983 Plaintiff must prove that the conviction or
21 sentence has been reversed on direct appeal, expunged by executive order, declared invalid
22 by a state tribunal authorized to make such determination, or called into question by a
23 federal court’s issuance of a writ of habeas corpus. Heck v. Humphrey, 512 U.S. 477, 486
24 (1994). A claim for damages arising from a conviction or sentence that has not been so
25 invalidated is not cognizable under section 1983. Id.; see also Edwards v. Balisok, 520
26 U.S. 641, 645 (1997) (claim arising from loss of good credits in disciplinary proceeding
27 subject to Heck if success in 1983 case would result in shortened sentence).

1 Plaintiff filed an inmate grievance seeking a reversal of the RVR and restoration of
2 credits which was denied on the merits at the Director's Level of Review. (Docket No. 9
3 at 68-69.) Petitioner also filed a petition for writ of habeas corpus in state superior court
4 challenging the disciplinary hearing. (*Id.* at 74-75.) The petition was denied by the state
5 superior court, as well as the state appellate and supreme courts. (*Id.* at 77-78, 84, 85.)
6 Accordingly, it is clear that the RVR has not been invalidated, so the claims for damages
7 also must be dismissed. See Trimble v. City of Santa Rosa, 49 F.3d 583, 585 (9th Cir.
8 1995) (claims barred by Heck may be dismissed *sua sponte* without prejudice).

9

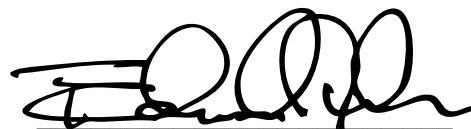

10 **CONCLUSION**

11 For the reasons set forth above, this action is DISMISSED without prejudice as
12 barred by Heck, 512 U.S. at 487.

13 The Clerk shall enclose two copies of the court's form petition with a copy of this
14 order to Plaintiff.

15 **IT IS SO ORDERED.**
